

Directions to CEMTEC Viana from Luanda (1° de Maio) on Catete road

Go to 1° de Maio roundabout take road to Viana/Catete

Drive past Jumbo Supermarket and keep going until Viana about 16 km

Pass the Fire station on right

Pass Train station on left with very busy walkway above

Drive past water tower on right

Past EUSEBIOS base on right

Past Banco BIC on right

Under next overhead walkway

Past IVECO trucks on right

Immediately after passing the overhead walkway turn off to the right down a tarmac road. There is a CEMTEC sign at this main road turnoff

Go down the road about 800m and you will see Toyota workshop on left hand side.

Just before the Toyota gate there is a turn off to leave the tarmac on right side

Take this turn off and go left parallel with the tarred road for about 60m

Turn right on wide dirt track and keep going straight for 700m.

On left side is TDA (Texeira Duarte) - keep going with the pylons always on your left side. Through a 'cross road' and ahead on your right hand side you will see multicoloured teardrop flags and a blue gate. That is where CEMTEC is located.
